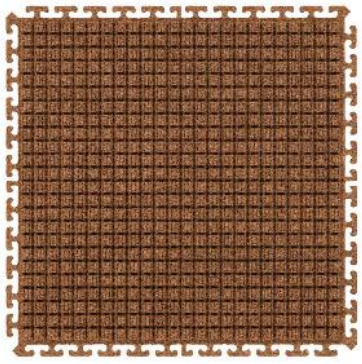
THE MAD MATTER™

WaterHog® Modular Tiles

Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Modular Tiles link together easily to provide scalable flooring solutions for large areas. They are designed to be installed without glue or the need for professional installers.



- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** – Solution-dyed PET fabric (24 ounces per square yard) is resistant to staining, dries quickly, and will not fade or rot
- **Eco-Friendly** – PET fabric is made from at least 90% recycled content reclaimed from plastic
- **Easy to Install** – Tiles link together easily and are designed to be installed without glue or the need for professional installers
- Tiles are 7/16" thick and available in 18" or 36" tiles with 4 color options
- Feature 200-mil SBR cleated rubber backing
- Side and corner borders (sold separately) securely link to the outer perimeter of the installation
