

WaterHog® Eco Elite Roll Goods Inlay Mat

Logo • Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Eco Elite Roll Goods Inlay can be customized to feature your logo. During the precise inlay process, the area that will display your logo is cut from the mat and appropriate colors are inlaid in the cut-out, much like a jigsaw puzzle. This process results in razor-sharp designs and is recommended for large entrance areas or custom applications.

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking
- **Durable & Fade Resistant** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat; solution-dyed fabric is fade-resistant
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- 17 logo colors and 7 background colors to choose from; features 78-mil SBR smooth rubber backing
- Designed to be installed like carpeting or loose-laid like a mat; vinyl nosing available (sold separately)
